

1. INT. COUNSELLING ROOM - AFTERNOON

Faint hum of a car is growing louder. After sometime footsteps in the corridor can be heard clearly. Two boys (Tanmay and Raunak) sweating and breathing heavily after a quarrel, are busy nursing their wounds. Tanmay groans while applying ointment.

TANMAY(FIRST BOY)

Uffff...

RAUNAK(SECOND BOY)

(smirks)

Atleast I am not groaning like some tot out there.

Raunak cleans his glamor green frilled coat which was all red due to his knuckle injury.

TANMAY

Ahhaa....Can't expect a smug not to be blind folded especially when it comes to emotions.

RAUNAK

Again, how nice it feels while blaming others when you started the shit ownself.

Again, they started arguing, more furiously this time. School counsellor (frowning both of them) enters with Tanmay's Parents.

Ishani wearing bold eye liner and kajal looks at her son, first in anger then melts when sees the injuries.

ISHANI (MOTHER OF FIRST BOY)

(Soft)

Oh! My child, who the hell even thought of this?

Ishani dusts off her son's new designer clothes.

TANMAY

The one sitting in front, Moma.

Pankaj, a tall man in his forties, looks at his son and stares his swollen cheek.

PANKAJ (FATHER OF FIRST BOY)

Hey! What's the matter? Why did you people do this?

TANMAY

Ahmm....Amazed to see you by the way, long time.

Ishani looking downwards, adjusts her watch and flips her hair in frustration when Tanmay spoke all this.

ISHANI

(low deep voice which can be
audible only to Tanmay)
Behave! Atleast in front of others.

Now, school counsellor asks Tanmay's parents to sit.

DISHA(COUNSELLOR)

(Writing down in the files
and arranging them)
Come on answer now, when I asked,
both of you were up in the air.
Giving me the silliest answers ever.

RAUNAK

He started this Madam.

TANMAY

What? Lier.

RAUNAK

Truth feels bitter always..

TANMAY

Then it's bittermost for you.

RAUNAK

(shouting)
Please, see this attitude everyone,
that's what he's all taught

TANMAY

Aaaaa....Wait....You....

Now, Tanmay takes a hold of Raunak's shirt and as he was gonna punch, his father stopped him.

PANKAJ

(Holding his son's waist and
hands)
Wait! Calm down beta.

TANMAY

(aggressively)

I won't leave you, next time if you
ever talk about my teachings and
ethics. Take a look at yours first.

Disha makes Raunak sit and Pankaj calms Tanmay whereas Ishani went numb with embarrassment.

DISHA

Now, calmly speak up each one of you turn by turn. Tanmay, let's start with you.

TANMAY

I was passing by the chemistry lab and around there, he was standing with few of his friends. All of them were seeing me coming....and I approached nearby...they started giggling for no reason.

RAUNAK

We were laughing on our own stuff.

DISHA

(frustrated)

Let him complete.

TANMAY

When I asked they laughed again, so I ignored and as I was leaving, I heard something related to my father..

ISHANI

Whatt.....

Ishani looks at Pankaj as if she conveyed what she wanna say irritably.

TANMAY

Somebody told me that they were making fun of my father as his father is buying our company.

RAUNAK

What is wrong in that at first place? However I don't think so that I disrespected anybody as truth is truth....

TANMAY

You mean making some elder's fun is not disrespectful?

Pankaj was listening very patiently and therefore a certain happiness was visible on his face.

RAUNAK

Equivalent to punching someone without confirming whether he said that in reality or not.

Disha calls Raunak's friends from the class room and also other group of students who were there around the lab.

2. INT. CLASS ROOM

Teacher announces the same in the class room.

STUDENT 1

What is all happening?

STUDENT 2

Let's go and check, I have heard that counsellor called Tanmay's parents because he had commenced the quarrel with Raunak because of that remark given by Raunak on his father.

STUDENT1

Better...let's go.

3. INT. COUNCELLING ROOM

Disha asks the students and all of them admitted that Raunak did make bad comments on Tanmay's father.

DISHA

(staring at Raunak)

Now, what you have to say?

RAUNAK

I mean.....

(embarrassed)

I admit that I did use curse words for his father and rumoured... that his company is dealing with dwindling cash flow and a lot of debt. But....

TANMAY

(frowning)

Now, who's the liar?

DISHA

Tanmay, please... I am dealing with him so let me.

ISHANI

Now, I am not tensed...ufff...Atleast you were not wrong.

DISHA

(To Raunak)

Family business rivalry doesnot cost your morals and ethics for elders.

Disha told Raunak to apologise. Also she said Tanmay to apologise as he started the fight.

Raunak's face become wrinkled.

RAUNAK

(cranky)

I am sorry, I would have not said that.

ISHANI

Is this a way to say sorry and behave with others?

PANKAJ

(to Ishani)

It's fine.. He's a kid..happens.

(to Raunak)

It's alright beta.

Pankaj's face was turning pale and his eyes were teary.

PANKAJ

Tanmay...come my child.

Pankaj hugs Tanmay and tears roll down his cheeks.

PANKAJ

I am happy to know.....Ahhh that you care about us.

Tanmay and Ishani starts looking at each other with watery eyes.

TANMAY

I do PaPa! I mean I just don't like....when you're busy busy and busy..

PANKAJ

I am sorry my child.

TANMAY

Amm...

PANKAJ

But don't hit somebody that severely.

All three of them smiled and left.
