mom points her hand at the young man.

MOM

He's NOT coming with us. Don't try to pass this as an

(In air quotes)

"Opportunity to train"

On the monitor on the desk, she opens a whatsapp text chat. "It has happened again"

MOM(VOICE OVER)

THAT ASSHOLE!

MOM

(sighs, looks at the woman)

We only deliver our best when called for. We can't have our reputation be tainted.

mom's phone rings. dad is the caller.

MOM

Hold on.

MOM

(waves to point her hand at the intern, while on phone)
He can be in the public gallery to watch the process he wants to.

Mom slams hard the table. She immediately picks her hand back up, expression of pain on the face. (This happens while the next dialogue takes place).

INTERCUT:

INT. ABC MEETING ROOM - DAY

dad is in a meeting, slide has "XYZ's acquisition terms".

MOM(OVER PHONE)

That asshole did it again!

DAD

(whisper)
Stop calling him an asshole! You keep ignoring the fact that He's a fucking child-

Mom lets out a tsk. Dad Sighs.

MOM

(pensive voice)
Our reputation's dead, isn't it?

Switch to Dad. Dad is seen walking entering his office. The wall has a photo frame of him with his father, he has a graduation cap, but both their clothes look cheap and slightly dirty.

DAD

(sighs)
Anyways, what about the paperwork?
Are you gonna come or what.

The Intern and her senior leave mom's office during the shot. Mom is spinning a pen in her hands.

MOM

I'll have to, it's Akansha handling it.
(Pause, then a sigh)
Why can't he try to imitate us...

Call cuts, switch to dad's office. He opens a notes app on his desktop. Opens a checklist, titled "Potentially good gifts for boy1". It is filled with 20 entries.

CUT TO:

INT. NURSING ROOM - DAY

Both kids wounded up. One on a plush couch, one on a chair, both facing each other. Counselor enters the room. For this scene, she should have a very tired voice. She has a clipboard in her hand. Boy2 with a frilled coat, and a black eye. Leaned back, arms crossed, on the chair in front of the couch. Focus camera on the bloodied knuckle of boy2, then repeat the shot in the beginning. Boy1 is on the plush armchair, shaking his leg. Has a plain, but costly-looking blazer. No tie, top button unbuttoned. Scars on chest visible because of the unbuttoned area.

Focus on the clipboard with Boy2's surname being XYZ. "Assigned Counsellor: Akansha"

COUNSELOR

Any of you, uh, ready to tell what happened, exactly?

BOY2

HE TRIED TO FUCKING KILL ME!

Boy2 looks at boy1, mocks acting sad. Boy1 gets up and grabs boy2's collar.

COUNSELOR

Hey, hey, hey! stop-

Boy2 and boy1 do not react to her.

BOY2

Try me!

BOY1

You're fucking dead, asshole!

Shot of counsellor looking weary.

MATCH CUT TO:

EXT. BELOW A BUILDING - NIGHT

Counselor is walking. A boy in designer clothes is repeatedly pushing a boy in normal clothes. Counselor looks at the situation, then averts her eyes. Guilty expression.

CUT TO:

EXT. APARTMENT ROOM - NIGHT

A door is in front of the camera. Counselor tiredly climbs the stairs. We look at her sports watch. (it should have the date). The watch says "take a break". She opens the door.

A couple is violently making out on the couch. The couple stops, looks at the counselor. Horrified faces of both of them.

Black.

CUT TO:**INT. LAW FIRM OFFICE - DAY**

Counselor enters the office. Calendar in the background. 2024.
A peon is cleaning the shelf.

MOM

I don't usually handle Divorce cases,
but I couldn't allow an amateur to
handle this one, could I?

Mom laughs. Counselor laughs awkwardly. Mom signs at the peon.

MOM

Get a cup of tea for Miss. Akansha!

FADE TO:**INT. NURSING ROOM - DAY**

Replay this part of the scene to imply continuity -

BOY1

You're fucking dead, asshole!

Skip the shot of counsellor looking weary. From the previous
scene of this place.

Sound of car stopping heard from the inside, focus changes from
the 2 boys to the window. A luxurious limo is visible.

Focus on the leg shaking again. Sound of door opening. Focus on
the door.

MOM

Boy1?

Boy1 looks at mom. Sighs. Mouths "sorry".

Mom looks at the counselor and flicks her hand. (the hand flip
with fingers pointing outwards which we do while asking Qs)

Dad enters while on a call in the background when the above is
happening. Boy1 looks at dad and cringes his face.

CUT TO:
