

1. FADE IN:

2. INT. STONEHILL INTERNATIONAL SCHOOL - DAY

A 16 year old boy is sitting on a sofa, that is right in front of principal's office. He has long hairs up to the neck and a thin diamond chain around his neck. He has silver earrings on one side of ear. He looks relaxed with a quiet smile on his face. We see a black fossil watch as he cracks his knuckles, there are light wounds of blood on knuckles.

Another boy of same age is coming slowly through the corridor, wearing a shining black leather jacket over his school shirt. We see there is a a fat, swollen cheek below his red blood eyes and a lip torn. He is ignoring other guy, sits on an armchair that is in front of the sofa, next to office door.

The boy on the sofa leans backwards comfortably, wiping out blood from lips and then arms crossed. He smirks with jaw tight and anger radiating through his eyes.

The other boy just ignores him and looks inside towards the office door.

3. INT. PRINCIPAL OFFICE - DAY

Principal, almost 50, wearing a white shirt, is sitting on one side of table. His elbows on the table with fingers interlocked, he is in serious mood. To the right of principal, there is a woman (late thirties) with specs and a fair face. She has short hairs. She is holding a file. Her face looks faded and eyes dull.

PRINCIPAL

Ok..now listen. I have a scheduled meeting so you have to handle it carefully. Pratyaksh's parents would might come in some minutes,...

OVER THE SHOULDERS-we look towards the Counselor's face. She seems lost in thinking something, Principal's voice was slowly getting dull in her head, another voice of a male was taking over with :

"We're done. Stop pretending this can be patched up."
"I don't miss you. Not even a little."

All this voice suddenly break when principal asks her loud

PRINCIPAL(LOUD)

Do you understand!!

COUNSELOR

Yes i..i understand.

CUT TO:

The counselor leaves the office room and reaches to the boy sitting in armchair!

COUNSELOR

Pratyaksh..right?

Pratyaksh doesn't reply,he just nodes and looks away.

COUNSELOR

Sit with him!you have to talk.

He doesn't reply and sits there,completely ignoring her.He is looking nervous,his sneakers continuously taps on the floor,fingers interlocked,praying for something.He is thinking,we hear quiet voice of his mind.

Mom,please come fast!

As a faint hum of a luxury car grows louder,he stands up quickly,raises his head and looking for something.

CUT TO:

We see the backside of car,A BLACK GLOSSY SEDAN,mother comes out first, she is in a rigid posture as she is walking in a courtroom, with eyes focused.

And then the father comes out,wearing a blue polished blazer on his bright white shirt,but he looks worried,in a hurry,rubbing his forehead with his fingers.

As they both go inside the hall,counselor reaches to them and gives her introduction.

COUNSELOR

Good afternoon sir and mam,my name is neha and i am the school counselor.

Counselor calls pratyaksh and jatin,they both stood up and reaches to the counselor.

FATHER(HEAVY VOICE)

What was happened!son...are you hurt badly!

MOTHER(COLD TONE)

God,look at you!Do you realize,what is your condition right now? I told you to stay out of trouble. You never listen.

Pratyaksh freezes after listening this words from his mom,his shoulders slump,his lips part,like he might defend himself, but the words shrivel before they leave.His sadness was noticed by counselor.

COUNSELOR

Pratyaksh..explain why was the fight?

PRATYAKSH(FEARLESS)

He was mocking me about my father,i
could not resist something about my
family!

COUNSELOR(CALMLY)

You should reach out us first..both
of you are guilty in this
situation,if they were any other
kids, they would be suspended by now.
(pointing out to parents)

Mother freezes,her eyes narrow with anger,letting the silence
for a second.

MOTHER(SHARP TONE)

Careful!if it would be his fault,then
also you should not say that!you
should know whom you are blaming!

FATHER

It is not his fault either,jatin
should not raise a sensitive topic,he
should be suspended.look how
pratyaksh is beaten!
(pointing to jatin)

Jatin gets frustrated by this,his jaw tightens and he defends
himself.

JATIN

So what did i say wrong!your company
PRESTIGIOUS is falling,and it's your
fault,the company's dark crime is now
exposing,and the world knows it's
condition,the takeover that is
ruining your reputation.

Pratyaksh looks into jatin's eyes with anger.

PRATYAKSH(ANGRILY)

How to dare to talk like this to my
father !He has built the empire that
you can not imagine of.keep your
mouth better shut!

Jatin smiles and looks into his father's eyes.

JATIN

I am happy by looking the chaos in
your family,...it's my payoff.Your
family's empire looks all shiny from
the outside, but they are all
corrupt.

All were shocked by listening this.

MOTHER(HESITATING)

What are you talking?what payoff.

JATIN(MOCKING)

Don't pretend that you don't remember it ...remember ANANYA,she was my sister,your company cheated her.

PRATYAKSH(CONFUSED)

What..what thing are you talking about,who is ananya?are you out of mind?

Jatin's voice start getting hard,but there was a pain in his voice.

JATIN

No..you really don't get it now?my elder sister was their ex-employee,she was in management in your's father clothing industry..but company was secretly burning clothes to protect its luxury image..tons of shipments were burnt. And also,company was hiding numbers from it's shareholders.Fake profits,audits,billions covered up and what not!
She was trying to expose them,she had the proofs but what did they do..your mother bribed the judge,and then-they blacklisted her,ruining her carrier.
It's payoff that father is buying your company.

Pratyaksh was really shock after listening this,he looks towards his parents and feels ashamed. He leaves the room after saying.

PRATYAKSH(CRYING)

Mom,dad-i believed in you,but every time,as always ..
(MORE)

PRATYAKSH (CONT'D)

i did not meet my expectations over you.There is always something,you hided.

MOTHER(ANGRILY)

Behave pratyaksh,WE ARE YOUR PARENTS!

Pratyaksh leaves quickly out of the school without looking once towards his parents.Jatin also leaves as instructed by the counselor.

MOTHER(TO COUNSELOR)

Listen,this should not be out !

COUNSELOR

Do you guys really care about your son!he is troubled and can't you even see that.

FATHER

No..we love him..it's just we can't give him the time

COUNSELOR

That is what he is deprived of!

Counselor thinks about pratyaksh,in her mind and looks worried about him.

CUT TO:

4. INT.PARK-NIGHT

Pratyaksh is sitting with his father on a park bench.

PRATYAKSH(ASKING, SAD)

Everything will become fine as before?

FATHER(ASSURING)

Believe me son,me and your mom will rebuild-just as it was before and this time,you will be with us.

PRATYAKSH

Stop,dad.Mom doesn't care about me,my needs,she wants me to be perfect,she only care about my achievements and you, you are always busy in work.

Father holds pratyaksh hands and looks into his eyes.

FATHER

We know that we are not perfect,mom wants you to be perfect because she wants you to be successful,i am busy so that i can provide all luxuries to you,and remember the meaning of a relationship is not in being perfect for someone, it is in being present for them and we are present for you at any time.

Pratyaksh nods and they both hug each other.

We see beside that bench,counselor was standing and listening to their conversation,the line"the meaning of a relationship is not in being perfect for someone, it is in being present for them"echoes in her mind.Probably she is connecting it her life.She smiles,seeing the boy and father together.
